

# INTRODUCING: GRAND CHAMPION HILDYDANE PAGAN

*Owned and handled by

I would like to take this opportunity to thank my dear friends for their tireless support and encouragement, continually reinforcing my belief in Pagan's worth, they have made this journey an enjoyable and interesting experience.

Also, my gratitude is afforded to those judges, both Australian and International who appreciated Pagan's solid construction, ease of movement and wonderful nature and were not adverse in conveying this to me.

Without Murray's hard work I would not be able to participate in this sport and for that I must show here my sincere appreciation.

Hildydane Kennels must be congratulated. Thank-you for entrusting me with the care of such a Grand Dane, it is an honour and joy to share my life with such an amazing being.

Far more important than awards is the fact that Pagan has all the qualities of a true Dane, he is sweet, funny, loyal, calm and has that indefinable something that draws people to him, and as a result he has many admirers.
